Accent Modification Therapy

Are you interested in modifying your foreign or regional accent? Do you have difficulties with:

- people not understanding you
- limited social interaction with those who may not understand you
- frustration from having to repeat yourself
- people focusing on your accent more than on what you are trying to say

If you answered YES to any of the above questions, you may benefit from accent modification therapy at the SIU Clinical center. Join us for an intense 8-week program of accent modification.
